### **Election Season Reminder**

Dear AISES Family,

I am confident all of you are aware that 501(c)3 organizations like AISES are not allowed to endorse or appear to endorse candidates for elective office. We have members and friends of AISES who seek public office - yet we do not endorse any of them.

We want to remind all our members that we try to adhere to both the letter and spirit of this law. It is inappropriate for any member to send information to anyone giving the appearance that AISES endorses a candidate - or that the information is being sent by AISES.

So the use of the AISES logo, letterhead, [www.aises.org](http://www.aises.org) or any other use of AISES or American Indian Science and Engineering Society for any political reason is not acceptable.

Respectfully,

A handwritten signature in black ink, appearing to read 'Andrew Conseen Duff'.

Andrew Conseen Duff  
AISES Board Chair  
CC: AISES Board of Directors

The AISES mission is to substantially increase the representation of American Indian and Alaskan Natives in engineering, science and other related technology disciplines.
